LEST WE FORGET

Remembrance Day services across the region returned to a sense of normalcy for 2021, with Atwood and Listowel conducting public, in-person gatherings at their respective cenotaphs on Thursday, Nov. 11. Royal Canadian Legion Branch 259 held its traditional service at the Listowel Cenotaph, with Padre Ralph Dwarika officiating and hundreds of local residents in attendance, respectfully distanced as they paid their respects on the 11th hour, of the 11th day, of the 11th month. Atwood Lions Club members stood vigil at the Atwood Cenotaph for the second straight year with members of the public in attendance, while the Atwood Presbyterian Church and Trinity United Church jointly organized a virtual service honouring past and current veterans. Lest we forget.
