

# 2019 Santa Fund Families

*Thank you to our community,  
51 Families adopted so far.*

We have been running this program for over 20 years and have helped thousands of families in need. We work with local agencies throughout York Region, agencies like Yellow Brick, Canadian Mental Health Association, Blue Door Shelters, Canadian Cancer Society and Sandgate to identify members in our community who might need a little extra help through the holiday season. If you would like to adopt one of these families please contact us at [santafund@metroland.com](mailto:santafund@metroland.com)
