> 23 years ago we met. As a young fella Josh kept to himself but was very polite when our paths crossed. As time went by we formed a great friendship as we always spoke and carried on with our daily tasks at hand. A few years ago met his soulmate and has a new outlook on life with being a New DAD and step dad. Wish you all the best! Sue & Swivey

I first met Aiden when I was five years old, six years ago, we have been friends ever since. My aunt is good friends with Aiden's aunt, so that's how we met.
