Moorefield parade lights up the night

Holiday magic – This float from Gleeson Farms provided spectators with a glimpse of Santa’s workshop at the Moorefield Christmas parade on Dec. 2.

Let it snow – The Moorefield Optimists float at the Santa Claus parade on Saturday night featured happy snowmobilers who are hoping for a white Christmas.

Council votes for more traffic counts on Concession 4 North gravel haulage route

Triton report puts paving cost at \$1.68 million

JORDAN SNOBELEN
REPORTER

KENILWORTH – Despite recent calls by some Concession 4 North residents to have the gravel road paved, a recent staff report recommends against it.

Concession 4 North resident Victoria McHugh previously told the *Community News* she would never give up on advocating for paving. Some of the residents living along the road, used as an aggregate haul route for three nearby gravel pits, believe it's insufficient for the number of trucks regularly travelling along the three-kilometre stretch.

Staff have previously recommended against paving the road at a pre-tax cost of \$1.68 million, while some councillors, including Sherry Burke and Steve McCabe, have unsuccessfully attempted to get the road on the township's annual paving list.

McHugh, representing a group she called the "Concerned Citizens of Rural Roads," delegated to council on Nov. 20.

"We propose a timeline to be voted on with council to look at paving the road in sections, so the cost is broken down into increments," she said.

McHugh also called for reducing the legal speed and adding stop signs for traffic

Reflections

BY LAURIE LANGDON

Complete and final deliverance in heaven
You are my hiding place; you will protect me from trouble and surround me with songs of deliverance. (Psalm 32:7)

In Heaven, all people and all entities have been set free.

All persons and situations have been taken out of bondage and handed over to the rightful rule and the appropriate reign of the King of Kings and Lord of Lords, and they belong to him forever. Every person and every thing has been given over to him. Every person and every thing has been surrendered to Christ – who brings all things to completion.

The Lord, my liberator, is King here. He, who himself is my deliverance, has come through in all matters. He has produced what he had promised, and his will has been fulfilled in all cases, so that now I live forever in a state of liberation.

In Heaven all people have been released from everything that has ever hindered them. Every holy ambition in the hearts of God's holy people has been realized and every good cause that had occupied their efforts on Earth has been fulfilled.

In Heaven, all things have reached their intended destination and their desired end, for God has come through; he has won all battles and conquered all foes. He has produced as promised and has brought deliverance to all. He has done as we had, in faith, expected him to do. He has fulfilled what we had desired him to fulfill. He has "delivered the goods." Now we walk – finally, fully, and forever delivered!

I can't wait!
But wait!

While I await the full revelation of God's glory in Heaven, the complete and final deliverance that exists in Heaven is also being manifested in me and in my world – as it is in Heaven.

This I will discuss in my next articles.
