Geared up for Rotary Classic

Fred Brown is able to run at a pace good enough to qualify for the Boston Marathon. But running 42 kilometres at a competitive pace is the least of his challenges during the coming weeks. Brown, a firefighter with the Brantford Fire Department, will be running the Brantford Rotary Classic on Sunday, April 24, decked out in the same gear he would wear to respond to an active fire.

Talking about doctor-assisted death

Brantford-Brant MP Phil McColeman is promising to raise the need for greater availability of palliative care as part of the debate on Canada's upcoming law on physician-assisted death.

COPS GET DIRTY

Brantford police Chief Geoff Nelson crawls through the mud on a mini obstacle course at the police station on Saturday. The course was set up to start generating buzz about the upcoming BPS Auxiliary Mud Heroes 5K Run, a charity mud run organized by the Brantford police auxiliary taking place at Brant Conservation Area in August. The event will raise money for the Every Kid Counts program at Lansdowne Children's Centre. Read more on Page 42.
